

LATITUDES

SECOND QUARTER 2022

MAKE YOUR HOUSE YOUR HOME

If you're finally ready to make those long-awaited home renovations, a great option to cover the cost is an **HRCU Home Equity Loan**.¹ By borrowing against the difference between the value of your home and what you still owe (the equity), you can obtain a one-time, lump-sum of the new loan amount.

You may use the cash from your loan to pay for anything at all! Some members have consolidated student loans, paid off high-interest credit cards, planned fun family vacations, or installed the pool they always wanted – the choice is yours!

Easily apply online, call, or stop in today to speak with an HRCU Lending Specialist!

¹APR = Annual Percentage Rate. APR based on credit worthiness and underwriting criteria, see credit disclosure for more information. Learn more at www.hdriver.org/real-estate-loans.
